The Friends keep a watchful eye on the Parks and promote them as public open spaces for use for walks and other leisure activities. We encourage the development and maintenance of the Parks and waterways and seek to improve the provision of amenities and facilities through public funding, public private partnership and our own fund raising.

The Friends of Old Wallington Hamlet were incorporated into our group in 2008 following the completion of the restoration work on Elms Pond. We have continued their work of overseeing the pond, in conjunction with Sutton Council who are responsible for its maintenance.

Our recent successes in Beddington Park include the refurbishment of the tennis courts and the provision of a 5-a-side football and basketball court and a new picnic and barbecue area. Our next objective is the provision of an Adventure Playground for older children.

We meet about 4 times a year at the Grange in Beddington Park where we openly discuss projects, parks maintenance, parks and neighbourhood policing and invite guests to speak on local topics.

Please help us achieve more by joining the Friends. Membership costs just £6 for an individual or £10 for a family; the membership year is from 1 January to 31 December.

Thank you for your support,
